

Picturesque Town of Rolling Hills

## Town of Biei

Biei is divided into two visually stunning areas, the Panorama Roads and the Patchwork Area. Shirogane Onsen Hot Spring Village is also located in Biei.

Town of the Live Volcano Mt. Tokachidake

## Town of Kamifurano

The Tokachidake Onsen Hot Spring Village is the highest point reachable by car in Hokkaido. 100% volcanic hot spring water soothes the body and soul. There are art galleries and spots of interest in the Miyama Pass along the scenic Route 237.

Town of Abundant Natural Assets next to Mt. Tokachidake

## Town of Nakafurano

Nakafurano boasts beautifully coloured flowers amongst its natural beauty. Visit the world famous Farm Tomita to see the sea of lavender and rainbow coloured flower fields. An old-fashioned single chair lift takes visitors up to the top of Choei Lavender Garden for an excellent view.

Town of Forests and Lakes

## Town of Minamifurano

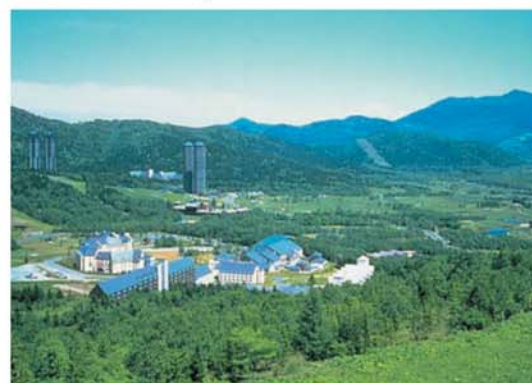

Minamifurano is surrounded by mountains and retains a tranquil atmosphere. The Beautiful Lake Kanayama is an ideal place for camping and fishing.

Central Hokkaido Gateway City

## City of Furano

Furano is located in the geographic centre of Hokkaido and is the ideal base for trips to all the ski areas in central Hokkaido. The longrun TV drama "From the Northern Country" was situated in this city. Great tasting locally produced wine and cheese as well as a long list of indoor and outdoor activities are available.

Village of Unspoiled Nature

## Village of Shimukappu

Shimukappu resembles a large wilderness park where family holidays are catered by Alpha Resort Tomamu. Budget accommodation is also available providing enjoyable at-home like vacations. Akaiwa Sekigan Valley is a must-see while in Shimukappu.
